Strategic Vision and Direction – 2017-2026

Introduction

In January of 2016, the Board and the NDE initiated the development of a Strategic Plan to guide the vision and direction of education in Nebraska for the next ten years. Nebraska's Strategic Plan, to be known as **Nebraska Quality Education Systems for Today and Tomorrow (NEQuESTT)**, represents the evolution of a philosophical and practical approach to supporting education in Nebraska. This commitment unifies and strengthens positive outcomes for each and every Nebraskan through bold and achievable goals. **NEQuESTT** not only outlines the critical needs and strengths within the system, but also reflects innovative approaches to ensure each Nebraskan has equitable access to opportunities and are ready for success in postsecondary, career, and civic life. **NEQuESTT** is the educational journey that puts forth a new vision and bold agenda for the system of education in Nebraska. This vision will require new and different ways of working together, stretching beyond the status quo, and engaging stakeholders through collaborative processes. The strategic plan defines a direction for accountability and a system of services and supports without losing sight of the importance of ensuring compliance with state and federal policies.

NEQuESTT guides the Board and the NDE to address some of the most urgent priorities within Nebraska. With an intentional and comprehensive focus on ensuring a reduction in educational inequities for the most vulnerable populations, this strategic plan directs focus on student- or client-centered outcomes, high quality opportunities, and a strong system of support **for every student, every day**.

NEQuESTT and AQuESTT

NEQuESTT aligns with Nebraska's accountability system, Accountability for a Quality Education System Today and Tomorrow (**AQuESTT**). The six critical tenets of **AQuESTT** holistically address accountability and quality education in Nebraska. Originally designed to meet statutory accountability requirements, **AQuESTT** has quickly grown beyond and guides the NDE and its work.

AQuESTT provides a fundamental focus on achievement and opportunity gaps and ensures strategies produce equitable outcomes for each and every learner. As a result, **NEQuESTT** includes goals with benchmarks that measure disaggregated data to ensure equity and access.
