

Opportunity for Training in Comprehensive School Mental Health

Wayne State UNIVERSITY OF Nebraska Omaha | 

 UNMC | MUNROE-MEYER INSTITUTE

Mental Health Professional Partnership (MHPP)

Trainees will:

- Receive intensive training in comprehensive school mental health within rural settings
- Have opportunities to provide supervised school mental health services within an MTSS framework
- Receive a training stipend (\$10,000) and reimbursement for travel costs to school sites
- Obtain experience with implementation of a grant funded by the U.S. Department of Education

Who we are:

- A partnership between ESU 2, UNMC MMI, WSC, and UNO funded by US Department of Education
- Goals: (a) train districts in comprehensive multi-tiered school mental health; (b) train school-based mental health providers on evidence-based mental health services in schools; and (c) retain school-based mental health providers for employment to better meet student mental health needs within ESU 2

Applicants must:

- Be in at least their second year of graduate-level training
- Be willing to travel to districts within ESU 2 for on-site service delivery approximately two days per week
- Participate in comprehensive school mental health boot camp (June 2021)
- Participate in weekly pro-seminar facilitated by UNMC MMI trainers starting in August 2021 (via Zoom)

Interested applicants should email Dr. Mindy Chadwell for information on how to apply
