

## **ADMINISTRATION**

### **Qualifications of Administrator**

**3100**

The chief administrator for the Educational Service Unit shall be experienced in one for the following:

1. Administrator in a public school system.
2. Administrator at an educational service unit.
3. Administrator at an intermediate or regional agency.

and shall hold a valid Nebraska Professional Administrative & Supervisory Certificate.

The Board may determine additional qualifications when seeking to fill any administrator vacancy. The method for selection of a chief administrator shall be determined by the Board and may include the use of an administrator selection service or committee(s) created by the Board for the sole purpose of identifying candidates for the position of chief administrator.
