6750

To ensure the privacy and confidentiality of student information, no person is authorized to record or transmit any sound or image of any person (including themselves) without the prior consent of either:

- the person or persons being recorded or whose image or sound is being transmitted; or
- the Superintendent or Superintendent's designee.

This prohibition applies to all persons, including staff, students and community members, regardless of the content or context of the image or sound; however, this provision shall not apply to Unit-sponsored events where the focus of the recording or transmission is on the training activity.

Nothing in this provision shall prohibit the recording of an Individualized Education Program (IEP) meeting if the recording is necessary to ensure that the parent understands the IEP or the IEP process or to implement other parental rights guaranteed by the Individuals with Disabilities Education Act (IDEA).
